## Social Enterprise of the Month

### Arun Coordinated Community Transport

Arun Coordinated Community Transport [ACCT] is a charity and company limited by guarantee based in Littlehampton. It was set up in 1996 to provide transport for groups who were unable to manage public transport and is run by a board of Trustees with 3 staff.

ACCT aims to provide community transport services accessible transport to local people in Littlehampton and surrounding parishes, particularly those who find it difficult to use public transport.

ACCT services are run by a small experienced staff team and volunteers who between them run a range of services with a fleet of minibuses and small vehicles all of which are fully accessible. These include:

- Regular shopping buses to Rustington Sainsbury's and Bognor Regis Tesco's
- Minibus service for schools, youth clubs and other hirers
- A social car network using volunteer drivers, providing journeys to hospital, doctors and social trips
- Transport to local day centre provision
- Arundel Community bus

ACCT provides in the region of 1,700 bookings a month for local people. We have 9090 clients on our register. Services are funded from a number of different sources, including charges, donations, and contracts.

#### ***Working as part of the local community***

Since its formation in 1996 ACCT has transported 86.232 people with the help of its staff team and volunteer drivers drawn from the local community.
